Basic CPTED Training

Hosted by the Spartanburg Public Safety Department

November 4-6, 2008

Spartanburg County Library
151 South Church Street
Spartanburg, SC 29306
-Barrett Room-

A Must for:

Law Enforcement Officers, Planners, Architects, Community Oriented Policing Officers, School Resource Officers, Security Consultants, Crime Prevention Officers, and Educators.

Benefits of Attending

Cities and Counties throughout the country are adopting CPTED ordinances requiring site plan reviews with crime prevention in mind. Law enforcement officers who are specially trained in CPTED are now working closely with Planners, Architects, City Officials, and Educators to ensure the proper design of structures, schools, and neighborhoods. Participants will learn how the design and use of the environment can control human / criminal behavior and reduce the fear of crime. They will learn crime prevention through natural means. How natural access control and natural surveillance decrease the opportunity for crime. Participants will learn the different aspects of lighting and its effects on human behavior. Participants will work together on a site survey and provide a group presentation of their results utilizing CPTED strategies. They will learn the advantages of having a CPTED ordinance and how to construct and present it to lawmakers.

INSTRUCTOR

Art Hushen is the President of the National Institute of Crime Prevention. Art was assigned to the Tampa Police Department's Special Operations Bureau / CPTED Section. He was instrumental in the creation of the Department's CPTED Unit and Tampa's first CPTED Ordinance for the Westshore Business District, which is the largest Business District in Florida. He implemented the CPTED review process for the Tampa Parks Department Greenways and Trails Master Plan, which include over 80 miles of trails. He worked with the Tampa Housing Authority on their Hope VI program and was part of the task force implementing the design guidelines. He recently completed the CPTED review process for the West Tampa Overlay District and the Tampa Lighting Initiative. Art also completed the City of Tampa's Downtown Security Guideline requirements under the Mayor of Tampa's Downtown Initiative.

Art received his Crime Prevention Practitioner Certification and CPTED Designation through the Florida Crime Prevention Training Institute where he assisted in the creation of the Advanced CPTED program and the State standards for the CPTED Designation. He is an instructor for the Florida Attorney General's Office specializing in Basic and Advanced CPTED and CPTED in Schools. He is also an Adjunct Instructor for Fox Valley Technical College specializing in CPTED. Art is recognized as a Crime Prevention Specialist through the International Society of Crime Prevention Practitioners and is a graduate of the National Crime Prevention Institute, Fox Valley College, and the American Crime Prevention Institute in both Basic and Advanced CPTED. He is the President of the National Institute of Crime Prevention, a national training company.

Art holds a Bachelor of Arts degree in Criminology from the University of South Florida. Art is Past Chair of the Florida CPTED Network (FCN), Past President of the Sun Coast Crime Prevention Association, and past Board Member of the International CPTED Association (ICA). He is a member of the American Planning Association (APA), and the American Society for Industrial Security (ASIS). He retired from the Tampa Police Department in 2006.
